

9 WHAT HAPPENS NEXT?

It is proposed to submit a planning application for this proposal to Babergh District Council in September 2020. This will be submitted in outline form, meaning that approval will only be sought in relation to the principle of development and access. All other matters, such as layout, appearance, scale, and landscaping, will be reserved for a subsequent application.

Before the application is submitted, we are inviting members of the public to have their say about the plans.

We would encourage you to complete our online comments form on this website: <http://www.phase2planning.co.uk/planning-consultations-copdock-washbrook.html>.

Alternatively, if you would like to send us your comments about the proposals, please do so by emailing office@phase2planning.co.uk.

For those that do not have access to the internet, contact Phase 2 Planning and Development Ltd on **01376 743811** and leave a message with your comments.

Please note that the deadline for comment submission is **Friday 28th August**. Please note that comments after this date may still be taken into consideration.

Should you wish to formally comment to the Council regarding the proposals, you will be able to do so once the planning application has been submitted. We will update our website once the application has been submitted with details of how to view the planning application documents.
